## Career Objective

I am a highly motivated and energetic professional with a relentless enthusiasm for acquiring new skills and knowledge. My career objective is to thrive in an environment that fosters continuous learning, enabling me to expand my expertise and contribute to the growth of the organization. I am committed to utilizing my skills and experience to their fullest potential in pursuit of shared goals and mutual success.

## Experience and Achievements:

During my internship at Jobs India Consultancy as an HR Associate, I gained valuable insights into the field of human resources. I actively contributed to various HR functions, including [communication with HR managers of various companies ,maintaining daily records]. This experience allowed me to develop a practical understanding of HR processes and strategies.

Furthermore, I had the privilege of participating in the Global Virtual Conclave on "Rebooting Global Workstations for the New Normal" held on July 24, 2021. This event provided me with exposure to the latest trends and innovations in the ever-evolving world of work, enhancing my knowledge of global workplace dynamics.

Additionally, I took part in the Global Interaction Series organized by the Department of Management Studies and IQAC at JAIN (Deemed-to-be) University in Kochi, Kerala. This initiative facilitated cross-cultural discussions and provided a platform for exchanging ideas and perspectives on global issues, broadening my horizons and fostering a global outlook.

These experiences have enriched my professional growth, honed my interpersonal skills, and equipped me with a global perspective that I believe will be valuable in my future endeavors.
